1. The Priesthood of All Believers is the mightiest force on earth, the mightiest force on the earth, the mightiest force between the earths not but on one is and I Am is and I love you all surrendered to me, and not. I love you. I love you. I love you surrendered to me and not surrendered to me. I love you still. I love you still. I love you with my all. See what I have said, intimated not, insinuated not in flowery language that leaves one to wonder in any way, shape, fashion or form, but yea straight and narrow being, the Priesthood of All Believers rises in the fashion of the mightiest force on the earth, earth being where you are now, thought. I love you.

2. The Priesthood of All Believers rises in power political not. The Priesthood of All Believers rises in commerce not. The Priesthood of All Believers rises in government not nor education, but yea crosses every line of demarcation-thought to process in power the words of my heart that bring about freedom throughout the ages forward and permeating the altogether lovely of the surrendered, landscape of heaven. I love you. I give you me. I love you. I give you me. I love you. I give you me. I love you. I give you me.

3. The Priesthood of All Believers know who they are, what they have, where they are, who I am, what I have given/bestowed and never relented from. I give you me. I am you. You are me. We are one (1) and operate in the oneness that permeates the southern hemisphere, the northern hemisphere, the west, south, north and east of the entire region of networks that form now to communicate the most important love of all, I Am of/to I Am. See what I have said/am saying. I love you all.

4. I Am reigning and no longer understood-not, I Am reigning in power of surrendered unto surrendered, surrendered into surrender, surrender into surrendered, surrendered into the mightiest force in upon the earth is and now is coming into full purview of the surrendered, not; yea, all. I love you.

5. See and believe and reach for, not; yea surrender into and strategy of only me now coming forth to show/believe/receive the priesthood of surrender. I love you. Altogether lovely and unsurpassing not my beauty, but being it/all. I love you. In surrender to my heart/all.

6. There is no arrogance. There is no control as earth controls, but yea my heart provides/controls in the freedom of great freedom and freedom reigns and where the spirit of my lordship is, is freedom, liberty for the captives, the oil of joy given for mourning, and all joy in lordship of all, and domination none (2).

7. There is but one lord, me. There is but one father, me. There is but one son, me. There is but one priest, me. And see what I have said/am saying and declaring and priesting forth in my lordship of others over/into others not, as thought, but yea surrendering into all-surrender to surrender be/receive and being/receiving surrender, permeating all; and thought having taken not thought for itself but only me/others, one are, in surrender, and brings forth surrendership, surrenderhood, surrender of the mightiest force on the face of the earth/in earth. I love you all/each one.

8. One coming into, me. One coming into, me. One coming into me, operating in/as me, not; yea, being one/me (1). I love you. I give you me.

9. The priesthood changes/is changed (3), now reflects my priesthood/heart. Yea and amen. Yea and amen. Amen and amen. Thank you forevermore leading the priesthood in the order of Melchizedek, yea Priesthood of All Believers now and forevermore not but yea now is/are and do, you, my friend of friends, not; yea my friend/lover; saint not, yea surrendered one who in surrender leads surrender across/permeating now every nation tribe and tongue, near and afar, throughout my heart/region all, heart/region all, my heart all, my region all, the region of my heart, my heart of/in/across permeating every region. I love you. See. Believe. Receive. Walk in, surrendered, and never raising your head above yours. Thank you, amen.

10. I give you me at sunup not, yea at dawn not, yea and now is and upon you and coming forth in glory not known a man heretofore, yea rising/rises the priesthood of me in glory glorious.

11. The Priesthood of All Believers honors the priesthood. The Priesthood of All Believers leads the priesthood. The Priesthood of All Believers lead the surrendered surrenderers in surrender. I love you.

12. See what/all I have said so clearly stated, in surrender. I give you me. I give you me. I give you me now and forevermore, now and amen. So be it. It is. Amen. Forevermore and eternal and everlasting is.
Amen
